Posting to FedBizOpps

As of 1 October, 2001 solicitations are required to be posted to [FedBizOpps](#). Solicitations posted to [ASFI](#) are forwarded to [DoDBusOpps](#) and then forwarded to FedBizOpps from DoDBusOpps. However, FedBizOpps requires the synopsis before posting the solicitation. So even if the solicitation appears at ASFI it won't show up on FedBizOpps unless the synopsis is also posted.

To post the synopsis, ASFI has set up a web site where the synopsis can be entered. This is only an interim solution until the ability to post the synopsis to FedBizOpps from PD2 is available. For information on this service, contact: ASFI@redstone.army.mil
