

Non-Federal Funding Navigation Projects

Christopher Frabotta

Chief of Navigation

Galveston District

Galveston District 2011 Dredging Conference

Galveston, Texas

October 26, 2011

Memorandums of Agreement

- MOA allows USACE to accept and expend non-Federal funding for navigation projects.
- Types of MOAs
 1. Non-Federal channels directly adjacent to Federal Channels (less than \$2.0M)
 2. Non-Federal channels directly adjacent to Federal Channels (greater than \$2.0M)
 3. Federal channels with Federal Appropriation
 4. Federal channels without Federal Appropriation

Memorandums of Agreement

- Non-Federal Sponsor submits a “Letter-of-Intent” to the local District requesting specific work to be accomplished
- Operations Manager assembles MOA package in accordance with USACE-HQ policy guidance.
- Package is approved at District-level or submitted to Division and/or HQ if applicable.
- Approved MOA is provided to non-Federal sponsor for signature.
- District Commander Executes MOA with his signature.
